

Business Membership number: `#{GMS_Contacts.MEMBER_NUMBER}`

Hi `#{DynamicVariable.DYN_FIRST_NAME}`,

With World Electric Vehicle (EV) Day coming up on September 9 and an ever-growing awareness of the need to reduce harmful emissions, many of our business Members are considering switching to EVs. One such Member is paving the way in the transition by implementing fleet transitions, EV charging stations and spreading awareness. We take a look at how Lake Macquarie Council is leading by example.

Can my drivers flash other cars?

It's the Australian way – flashing other cars to warn them of police stops ahead. But could it land you in hot water?
