# Eco escapes

There's nothing quite like spending time in nature, especially when it's preserved and pristine. That's why we love to partner with suppliers who do their bit to look after our natural fauna and flora, so you can enjoy an awe-inspiring holiday in nature and go home knowing you've left no footprint behind. Here are just two businesses leading the way in sustainability and making sure our Australian treasures are protected.

## Escape to Freycinet Lodge

The only accommodation within Freycinet National Park, Freycinet Lodge is the perfect nature escape. With a strong focus on sustainability, the lodge is a single use plastic free zone with refillable amenities, environmental and waste management plans, and locally sourced produce in their restaurant and bar. This means you can unwind and sleep easy at night knowing you're supporting a business that cares about the environment.
