Hi `#{DynamicVariable.DYN_FIRST_NAME}`,

The used car market is hot right now. There's a lack of supply and an increased demand thanks to lockdowns, factory closures and parts issues. So, if your business is in need of a quick cash injection and you have some fleet vehicles collecting dust, maybe it's time to swap your cars for cash. We've had a look at how you can take advantage of the surge in used car prices to give your business a welcome boost.
